This booklet provides you with a summary of what we cover and your cost-sharing. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page, and ask for the "Evidence of Coverage"(EOC), or you may access the EOC on our website at www.healthnet.com/medicare.

You are eligible to enroll in Health Net Aqua (PPO) if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium, if not otherwise paid for under Medicaid or by another third party.
- You permanently reside in the service area of the plan (in other words, your permanent residence is within one of the Health Net Aqua (PPO) service area counties). Our service area includes the following counties in Oregon: Benton, Clackamas, Lane, Linn, Marion, Multnomah, Polk, Washington, and Yamhill; Washington: Clark.
- You do not have end-stage renal disease (ESRD). (Exceptions may apply for individuals who develop ESRD while enrolled in a Health Net commercial or group health plan, or a Medicaid plan.)

With Health Net's PPO Medicare Advantage Aqua plan, you'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use in-network providers. In-network providers are those providers who contract with Health Net. Out-of-network providers are those who do not have a contract with Health Net and who accept Medicare. Members enrolled in Health Net PPO plans can choose to receive care from in-network or out-of-network providers. Either way, doctor visits, hospital stays and many other services have a simple copayment, which helps make health care costs more predictable. You can see our plan's provider directory at our website at www.healthnet.com/medicare.
